

### CNCJ-82FW

The CNCJ82FW is the strongest-impacting tamping rammer on the market, with operating weight of 85kg and 4hp gasoline/diesel engine, the impacting force reach to 16 kN.

CNCJ82FW is the No.1 choice for backfilling, trench working and all kind of small compaction jobsite.

Model	CNCJ-82FW
Engine Type	Robin EH12-2D
Power kW (hp)	3.0 (4.0)
Weight kg (lbs)	82 (181)
Impact Force (Max) kN	16.0
Jumping Stroke (max) cm (in)	8.0 (3.1)
Size of Foot cm (in)	33*29 (13*11)
Fuel Tank L	2.8
Impact Number (number per minute)	640-680
Package cm	76*45*113
