

**DT-100LT**

**DT-120HT**

**DT-120LT**

### Features

- Induction motor with low rotate speed, longer life and low noise
- Metal guard for protection the belt and wheels
- Universal wheel and pneumatic tyre make machine easy to transport
- Various pumps can be matched with different tanks, meet customer's requirement

Model	Power	Tank Capacity	Pressure	Voltage	Air Delivery	Speed	N.W/G.W	Measurement
	HP	L	bar	V	cfm	rpm	kg	LxWxH, cm
DT-100LT	10	300	8	415/50	50.6	870	293.5/315.5	191x61x128
DT-120HT	15	300	12.5	415/50	52.4	820	381/401	191x74x134
DT-120LT	15	300	8	415/50	70.8	740	381/401	191x74x134
